[CAUPERU2026.COM](https://cauperu2026.com) →

*Santuario histórico
de Machu Picchu*

*Historic Sanctuary
of Machu Picchu*

Miércoles
07 octubre
2026 →

Wednesday
07 October
2026

[CAUPERU2026.COM](https://cauperu2026.com) →

CENTRO DE CONVENCIONES

Convention Center
Main Room

SALÓN PRINCIPAL

8.00 – 13.00

13th PROGRAMA EDUCATIVO PARA RESIDENTES
CONFEDERACIÓN AMERICANA DE UROLOGÍA (CAUREP)

CONFEDERACIÓN AMERICANA DE UROLOGÍA (CAU)
ASOCIACIÓN EUROPEA DE UROLOGÍA (EAU)
COLEGIO EUROPEO DE UROLOGÍA (ESU)

*13th American Urology Confederation Residents
Education Program (CAUREP)*

*American Confederation of Urology (CAU)
European Association Of Urology (EAU)
European School Of Urology (ESU)*

SESIÓN DE LA MAÑANA / SALÓN PRINCIPAL

Main Room

Morning Session

08:00–08:05 **Bienvenida / Welcom**

STUI / HPB — LUTS / BPH →

08:05–08:30 **Enfoque diagnóstico de los STUI en el hombre**
Diagnostic approach to male LUTS

08:30–08:55 **Indicaciones y límites del tratamiento médico**
Indications and limits of medical therapy

08:55–09:20 **Intervenciones quirúrgicas: pasado y presente**
Surgical interventions: past and present

09:20–09:45 **Terapias emergentes e investigación en HPB**
Emerging therapies and research in BPH

Cáncer de Próstata / Prostate Cancer →

09:45–10:10 **Dilemas diagnósticos: HPB vs cáncer de próstata**
Diagnostic dilemmas: BPH vs prostate cancer

10:10–10:30 **Receso para café / Coffee break**

Cáncer de Próstata / Prostate Cancer →

- 10:30–10:55 **Manejo de la enfermedad localizada: vigilancia activa a cirugía radical**
Management of localized disease: active surveillance to radical surgery
- 10:55–11:20 **Cáncer sensible a la castración: pauta para el urólogo**
Castration-sensitive prostate cancer: pathway for the urologist
- 11:20–11:45 **Terapias emergentes en cáncer de próstata**
Emerging therapies in prostate cancer

Cáncer de Pene / Penile Cancer →

- 11:45–12:10 **Diagnóstico diferencial y estadificación**
Differential diagnosis and staging
- 12:10–12:35 **Liquen escleroatrófico (LS) y enfermedad peneana compleja. Estrategias quirúrgicas actuales**
Lichen sclerosus (LS) and complex penile disease. Current surgical strategies
- 12:35–13:00 **Tratamiento quirúrgico: calidad de vida**
Surgical management: quality of life

Urología Funcional y Reconstructiva / → Functional and Reconstructive Urology

- 13:00–13:25 **Uretroplastia compleja: estrategias quirúrgicas**
Complex urethroplasty: surgical strategie

13:25–13:50 **Decisión quirúrgica y resultados funcionales**
Decision-making and functional outcomes

13:50–15:00 **Simposio auspiciado por la industria**
Industry-sponsored symposium

SESIÓN DE LA TARDE / SALÓN PRINCIPAL

Main Room

Afternoon Session

15:00–15:25 **Tratamiento avanzado de la incontinencia urinaria**
Advanced management of urinary incontinence

15:25–15:50 **Manejo quirúrgico de las fístulas vesico-vaginales**
Surgical management of vesico-vaginal fistulae

15:50–16:15 **Consideraciones de medicina sexual en cirugía STUI**
Sexual medicine considerations in LUTS surgery

16:15–16:30 **Discusión, cierre y despedida**
Discussion, closure and farewell

16:30–17:00 **Receso para café / Coffee break**

17:00 – 19:00 **Simposios de Sociedades**

19:00 – 20:30 **Asamblea CAU**

CAUPERU2026.COM →

*Fiesta de la Virgen
de la Candelaria
en Puno, Perú*

*Festival of the Virgin of
Candelaria in Puno, Peru*

Jueves
08 octubre
2026 →

Thursday
08 october
2026

SALONES 1-7 / CENTRO DE CONVENCIONES

Convention Center

Rooms 1-7

07:30 – 09:00

Cursos Instruccionales
Instructional Courses

SALÓN PRINCIPAL / CENTRO DE CONVENCIONES

Convention Center

Main Room

07:50 – 08:00

Apertura del Congreso
Opening of the Congress

08:00 – 10:00

Sesión Plenaria 1 / Plenary Session 1

BPH / HPB →

Benign Prostatic Hyperplasia: Where Are We Now and Where Are We Going?

“From medical therapy to robotic surgery and technology-driven minimally invasive treatments.”

“Are We Over-Treating surgically BPH in the Era of Ambulatory MIST?”

08:00 – 08:07

Introducción
Introduction

08:07 – 08:22

Conferencia / Lecture SIU
MIST Landscape 2026 – What Is Real Innovation?

08:22 – 08:42

Patient Selection Goes Beyond the Technology
“One Size Fits None: Precision Selection in BPH Care”

08:42 – 08:57

Crossfire Session (Debate with rebutal)
“What Is the Best Non-Medical Treatment for BPH in 2026?”
Debatidores / Debaters:

- Endoscopic enucleation (HoLEP/ThuLEP) as the universal gold standard
- MIST and personalized surgery as the new standard of care

09:00 – 10:00 Sesión Plenaria 2 / *Plenary Session 2*

Disfunción Miccional / Voiding Dysfunction →

- 09:00 – 09:20 **Panel dinámico. Presentación de casos.**
Más allá de las guías clínicas: ¿qué hacemos cuando la evidencia no alcanza? (*Problemas frecuentes en la práctica diaria que no encuentran respuestas prácticas en las guías actuales*)
- 09:20 – 09:30 **Conferencia / Lecture**
Hypocontractilidad vesical: papel de la electro estimulación en el tratamiento
- 09:30 – 09:45 **Panel**
Red flags en Neurourología: infección urinaria
 - catéter de uso único
 - cateterismo de re-uso o suprapúbico
- 09:45 – 10:00 **Momento Innovación: Nuevas terapias en disfunción miccional: ¿innovación real o promesas prematuras?**
 - Nuevas direcciones terapéuticas en vejiga hiperactiva - 8 aminopurinas
 - Neuromodulación tibial
 - Inteligencia artificial y cambios en mi modo de manejar las disfunciones miccionales

10:00–10:20

Receso para café / Coffee break

10:20 – 12:20 **Sesión Plenaria 3 / Plenary Session 3**

Tumor de Vejiga / Bladder Cancer and Upper Tract Ca. →

10:20 – 10:47 **High-Risk NMIBC after BCG Failure: Are We Redefining the Algorithm?**

- Updated definitions of BCG failure
- Intravesical and Systemic Therapies after BCG: From Evidence to Clinical Practice

10:47 – 11:25 **Crossfire Session**
BCG Failure: Early Radical Cystectomy vs. Aggressive Bladder Preservation

- PRO early radical cystectomy
- PRO bladder-preserving strategies
- Conclusiones

11:25 – 11:50 **MIBC in 2026: Is Surgery Still the Standard for All Patients?**

- Impact of perioperative chemo-immunotherapy: Niagara is in the Past?
- Patient selection for bladder preservation

11:50 – 12:10 **Multidisciplinary Case Discussion**
Radical Cystectomy versus Bladder Preservation in MIBC

- Male patient, MIBC cT2-T3, clinical response after neoadjuvant therapy

12:10 – 12:30 **Conferencia / Lecture**
Metastatic Bladder Cancer: Predictors factors, Biological markers and How to sequence

12:30 – 14:00 **Simposio de la Industria**

14:00 – 16:00 **Sesión Plenaria 4 / Plenary Session 4**

14:00 – 14:15 **Future Prospects of AI Technology in the Lower Urinary Tract**

- 14:15 – 14:30 **Precision Surgery Beyond Anatomy**
Next-Generation Precision in Radical Prostatectomy
- 14:30 – 14:45 **Ablative Technologies: What Has Matured?**
Ablation in 2026: From Experimental to Selective Clinical
- 14:45 – 15:00 **Case-Based Discussion**
Favorable intermediate-risk prostate cancer, single index lesion
 - PIRADS 5 lesion on mpMRI
 - Negative PSMA PET
 - Limited Gleason 3+4 disease
- 15:00 – 15:15 **Conferencia SIUP / *Lecture***
Transition from childhood to adulthood
- 15:15 – 15:30 **Conferencia British Journal of Urology International / *Lecture***
- 15:30 – 15:45 **Conferencia / *Lecture***
Testicular cancer
De-intensification of treatment in testicular cancer:
active surveillance, shortened chemotherapy regimens,
partial surgery, NO radiotherapy
- 15:45 – 16:00 **Conferencia / *Lecture***
Penile Cancer
Surgical treatment of patients with stage II penile cancer:
from penile preservation to multimodal treatment.

SALONES 1-8 / *Rooms 1-8*

- 14:30 – 16:00 **Presentación de Trabajos**

16:00 – 16:20 **Receso para café / Coffee break**

16:00 – 17:00 **Salón Plenario**
Workshop Video Cirugías

SALONES 1-8 / *Rooms 1-8*

17:00 – 19:00 **Simposios de Sociedades**

20:00 **Salón Plenario - LCC**
Acto de Apertura del Congreso

[CAUPERU2026.COM](https://cauperu2026.com) →

*Montaña de 7 Colores,
conocida como
Vinicunca*

*Vinicunca, also called
The Seven Colors Mountain*

Viernes
09 octubre
2026 →

Friday
09 october
2026

SALONES 1-7 / CENTRO DE CONVENCIONES

Convention Center

Rooms 1-7

07:30 – 09:00

Cursos Instruccionales
Instructional Courses

SALÓN PRINCIPAL / CENTRO DE CONVENCIONES

Convention Center

Main Room

08:00 – 09:00

Sesión Plenaria 5 / Plenary Session 5

Cirugía Reconstructiva / Urologic Reconstruction Frontiers and Controversies in Urologic Reconstruction →

08:00 – 08:12

Conferencia / Lecture
Modern Urologic Reconstruction: Where Are We in 2026?

08:12 – 08:24

Crossfire Session
Traditional Principles vs. High-Tech Reconstruction

08:24 – 08:36

Conferencia / Lecture
New Materials and Tissue Engineering: Are We Ready for Prime Time?

08:36 – 09:00

Discusión de Casos / Case Discussion
Extensive urethral injury with failure of prior reconstructions

09:00 – 10:00 **Sesión Plenaria 6 / Plenary Session 6**
Andrología

Male Infertility: A New Diagnostic Era →

09:00 – 09:10 **Conferencia / Lecture**
When and how to incorporate new technologies into daily clinical practice

09:10 – 09:20 **Conferencia / Lecture**
Erectile dysfunction as a systemic marker: cardiovascular, metabolic, and cognitive disease

09:20 – 09:35 **Debate**
Do regenerative therapies work, or are we selling hope?
• *Debater A: Low-intensity shockwave therapy + PRP + stem cells*
- *Debater B: Weak evidence, placebo effects, and the risk of scientific charlatanism*
Conclusiones

09:35 – 09:45 **Conferencia / Lecture**
Testosterone Replacement Therapy (TRT): Best Practice, Risk, Or Neglect? RT in 2026: whom to treat, when to treat, and when NOT to treat

09:45 – 10:00 **Caso Clínico Controvertido / Controversial Clinical Case**

10:00–10:20 **Receso para café / Coffee break**

10:20 – 12:20 **Sesión Plenaria 7 / Plenary Session 7**
Cáncer de Próstata / Prostate Cancer

From Biology to Bedside: Redifining Prostate Cancer Care in 2026 →

- 10:20 – 10:35 **Conferencia / Lecture AUA**
Biology, Imaging and Risk Stratification
Beyond Gleason: Integrating Genomics, PSMA PET and Radiomics
in Risk Stratification. Are We Ready for a New Risk Model
- 10:35 – 10:55 **Case-Based Interactive Discussion**
Caso Clínico / Clinical Case
Unfavorable intermediate-risk prostate cancer;
mpMRI + borderline PSMA PET findings; Discordant genomic testing

Local Treatment: Precision Vs Radicality. **“Next-Generation Precision in Radical Prostatectomy”** →

- 10:55 – 11:15 **Conferencia / Lecture**
Radical Prostatectomy in 2026: Precision Surgery, Functional Outcomes
and Oncologic Trade-offs
- 11:15 – 11:30 **Conferencia / Lecture**
Modern Radiotherapy: Hypofractionation, SBRT and Image-Guided Dose
Escalation
- 11:30 – 11:50 **Crossfire Session**
Focal Therapy vs Radical Treatment
Is focal therapy a valid alternative or merely a postponement
of definitive treatment?

- 11:50 – 12:00 **Conferencia / Lecture**
New Technologies and Controversies
“PSMA Theranostics: Are We Ready for Early-Line Integration?”
- 12:00 – 12:20 **Imaging, Biology And Patient Selection “Patient Selection for Prostate cancer treatment: Imaging, Pathology and Genomics”**
- 12:30 – 14:00 **Simposio de la Industria**
-
- 14:00 – 16:00 **Sesión Plenaria 8 / Plenary Session 8**
-
- 14:00 – 14:15 **Conferencia / Lecture SUO**
- 14:15 – 14:30 **Conferencia / Lecture**
IA y cáncer urológico
- 14:30 – 14:45 **Conferencia / Lecture**
Regeneración tecidual en urología: “From the bench to the bedside”
- 14:45 – 15:15 **Upper Tract Urothelial Carcinoma: Where Are the True Innovations?**
• Endoscopic kidney-sparing approaches
• Integration with systemic therapies
- 15:15 – 15:30 **Debate**
Complex Clinical Case in BPH: Beyond “Prostate Size”
Presentador: Mariano González 🇵🇪
• Patient with a 150g prostate
• Severe LUTS + high cardiovascular risk
• Desire for preservation of sexual function
• Partial failure of medical therapy
Debatidores: • HOLEP -
• Cirugía Robótica -

- 15:30 – 15:45 **Conferencia / Lecture**
Future Directions in BPH Treatment – Where Is This Going
- 15:45 – 16:00 **Crossfire**
Voiding Dysfunction “The Final Countdown”
Neuromodulación versus toxina botulínica
• **Hombres con vejiga hiperactiva refractaria post-cirugía HPB**
• **Disfunciones neurógenas del tracto urinario inferior**
- 16:00 – 17:00 **Workshops**

SALONES 1-8 / *Rooms 1-8*

- 14:30 – 16:00 **Presentación de Trabajos**

16:00 – 16:20 **Receso para café / Coffee break**

SALONES 1-7 / *Rooms 1-7*

- 17:00 – 19:00 **Simposios de las Sociedades**

SALONES 1-7 / CENTRO DE CONVENCIONES

Convention Center

Rooms 1-7

07:30 – 09:00

Cursos Instruccionales

Instructional Courses

SALÓN PRINCIPAL / CENTRO DE CONVENCIONES

Convention Center

Main Room

08:00 – 10:00

Sesión Plenaria 9 / Plenary Session 9

08:00 – 08:30

Crossfire: Lasers in 2026; are we in the final chapter? Case presentation

- Low pick energy Holmium Yag (Magneto concept)
- SuperPulsed Holmium
- Thulium Fiber Laser (TFL): real-world evidence
- Conclusions and take-home messages

08:30 – 09:00

Crossfire: Complex renal Stone with total stone burden 4 cm Case presentation

- Conventional percutaneous access 24–30 Fr, tips and tricks
- Mini-Perc with suction access sheath, tips and tricks
- ECIRS (Conventional or Mini-Perc), tips and tricks
- Conclusions and take-home messages

09:00 – 09:30

Crossfire: Lower pole stone 1-2 cm Case presentation

- Flexible ureteroscopy with suction access sheath FANS
- Mini-Perc with suction access sheath
- ECIRS
- Conclusions and take-home messages

09:30 – 10:00

Panel: Future of Endourology, what is real and what is fiction

- Improved technology for Endourology, where are we going
- Robotic Endourology, current status, indications and limitations
- AI for stone management, how far are we from clinical applications
- Conclusions and take-home messages

10:00–10:20

Receso para café / Coffee break

10:20 – 12:20

Sesión Plenaria 10 / Plenary Session 10

Renal Cell Carcinoma 2026: Evidence, Innovation and Personalized Clinical Decision-Making →

10:20 – 10:35

Conferencia EAU / Lecture EAU**RCC in 2026: What Has Truly Changed in the Last Five Years?**

10:35 – 10:50

Conferencia / Lecture**Beyond TNM: Biology-Driven Risk Stratification.****Tumor Biology, Heterogeneity, and Clinical Implications in RCC**

10:50 – 11:05

Surgical Innovation And Functional Preservation.**Pushing the Boundaries of Partial Nephrectomy**

11:05 – 11:20

Conferencia / Lecture**Imaging Biomarkers and Decision Support. Radiomics in RCC:****From Research to Clinical Integration**

11:20 – 11:40 **Crossfire Session**
Upfront Surgery or Systemic Therapy in Locally Advanced RCC?

Panel:

- Upfront surgical approach -
- Neoadjuvant immunotherapy -
- Hybrid and trial-driven strategies -

11:40 – 12:00 **Case-Based Multidisciplinary Discussion**
Complex Clinical Scenario. Clinical Case presentation

- T3a/T3b renal mass
- Young versus elderly patient
- Synchronous oligometastatic disease

12:00 – 12:20 **Conferencia / Lecture**
Metastatic Disease, Adjuvant Therapy, And Future Directions.
Advanced RCC: Who to Treat, When to Treat, and for How Long?

12:30 – 14:00 **Simposio de la Industria**

14:00 – 16:00 **Take-Home Messages**

16:00 **Entrega de Premios**

16:15 **Presentación Congreso CAU 2027 Uruguay**

17:00

Clausura
